

Trainings:

Assisting Clients to Enroll in and use DSHS Medical Assistance Programs 2011

This training is brought to you by a partnership between the Community Health Access Program (CHAP) and Public Health-Seattle & King County. It is designed for those interested in assisting clients with completing DSHS medical assistance applications for children and families, as well as understanding how to enroll in and use Medicaid and Healthy Options.

The Medical Assistance Training, Part I is focused on eligibility criteria for DSHS medical assistance programs. Part I includes scope of insurance coverage and how to help individuals apply for DSHS medical assistance programs. ***The focus is on coverage for children, pregnant women and families with children.***

The Medical Assistance Training, Part II includes a basic understanding of Healthy Options, detail on eligibility and coverage for non-citizens, how to problem solve DSHS medical assistance cases and an overview on more complicated scenarios. ***The focus is on coverage for children, pregnant women and families with children.***

The Medical Assistance Training, Part I & II in Spanish is a one day training that encompasses all mentioned above, but in the Spanish language. This training will be completely in Spanish and only offered twice in 2011.

The Basic Food & Resources Training provides 1) an overview of the DSHS Basic Food Program, including eligibility and the application process and 2) additional resources available. This training will only be offered once in 2011.

There is no charge for these trainings, but you must pre-register. Please complete and return the attached registration form. Your form can be faxed to Karen McKinney at (206) 296-0881 or emailed at Karen.mckinney@kingcounty.gov. Thank you!
